

BT iNet Select MESSAGEmanager for Cisco Unified Communications Manager SMS and Fax Solutions

Icon, UK distributor for MESSAGEmanager, has announced that MESSAGEmanager has been selected as the preferred SMS and Fax technology for Cisco Unified Communications Manager customers by BT iNet.

BT iNet, the UK's largest Cisco Partner, specialises in Infrastructure, Security, Unified Communications and Mobility Solutions. The decision in favour of MESSAGEmanager was based on its flexibility, functionality, robustness and competitive pricing. ICON secured the win through their strong, long-term relationship with BT iNet.
